EDITOR'S LETTER

Oh, the world's a worrisome place alright, isn't it? As I write you can hardly turn on the telly without some concerned looking expert telling us that North Korea have fired another unwelcome missile off, and that everyone's getting heartily fed up with it all. Why if only there was some sort of refuge from the cares of the world – something you can turn to to relieve your troubled mind. Oh, wait a minute, there is! Well done you for finding it!

COPSE... AND KNOBBERS

Dear Mayfair,

I've been in a steady relationship for a few years now, but although I do still care for my girlfriend, our sex life has completely disappeared – to the point where I can barely remember the last time we fucked. That's no excuse, however, for the fact that I've been having an affair for the last couple of months. Especially as she's married...

I met Chantelle quite randomly, but the instant physical attraction and connection between us was undeniable. And, although we tried to fight it, the chemistry was almost palpable, so I guess it was almost inevitable that we'd end up sleeping together.

The first time was amazing – mind-blowing, even – and I can honestly say that neither of us had had sex like it before. We were so in tune with each

during the day, without the cover of darkness, really isn't that easy. After a bit of discussion about possible options, we decided that we would go for a seemingly innocent stroll along the canal. It was so refreshing to be able to walk along together in public, like a normal couple would, and I enjoyed that aspect of it, but it also held the added attraction of there being the opportunity for a bit of outdoor action!

Sure enough, after twenty minutes into our meander, I spotted a clearing in a small copse next to the pathway. It was set back enough that we wouldn't be seen, but there was also enough space to be relatively comfortable and really get stuck into each other. We waited until the path was clear then I led the way through the overgrown weeds, Chantelle giggling behind me. As soon as we were out of sight, safely tucked away in our wooded area, we were all over each other, hands everywhere, sucking each

other than it lasted for three hours and it felt so relaxed and natural that it almost felt like we were meant to be together, as corny as that sounds. So at ease were we that our talk soon turned to our sexual fantasies, which is totally out of character for me. I divulged early on that I have a thing for outdoor sex and Chantelle, happily, shared this little kink of mine. The first time we indulged in any al fresco sexual activity was a drunken blow-job in a park, which was incredibly horny (and the fact that we got busted not once, but twice, just made the whole experience all the more exciting and memorable), but it was only a couple of weeks later that we decided to take it to the next level.

Because we both live in a relatively small place, the risk of getting caught was always – and still is – pretty high, which is less than ideal. So, meeting up

SOFT PARADE?

Dear Mayfair,

I'd like to contribute to a debate that began a couple of issues ago about the strength of some of the photosets. That is to say that certain models appear a bit reluctant or coy compared to other models who are happy to reveal more. Now don't get me wrong – they are all beautiful women and I can appreciate their beauty as well as the next man, but over time I'd have hoped that they would develop and become more daring in their poses as other models have done, eg Emma Green. However, many of them have stayed with the same strength of poses, and so when these models appear in your magazine I soon find myself flicking through their sets to find the bolder and adventurous models. In my opinion – and it may not be others' – if they are not going to progress with their poses becoming more explicit over time then perhaps you should consider dropping them.

This gripe aside, *Mayfair* is a great mag!

Dan, Staffs.

PS. I notice that Danielle Maye appears to have married – it's such a turn-on when the girls wear engagement or wedding rings, knowing their fiancés or husbands are happy with what they do!

Thanks for that, Dan – yes, Emma Green's a good example of a girl who's got a bit bolder over time. We certainly hope some of the more timid models will take their cue from her! And yes, Dani's got herself a fella, but tragically it isn't me... – The Ed.

other's faces off. She really is totally on my wavelength – within minutes, she had my fly open and my dick in her mouth.

Chantelle loves sucking cock. And she does it well. I stood there, in the middle of a large thicket, jeans down around my arse, being sucked off by this slim, slightly scruffy nympho, barely unable to take stock of what was happening. I didn't come as fast as I had feared, but when I did, it was incredible – I held Chantelle's dark brown hair as I sprayed copious amounts of my muck down her throat. I'll give her props; she swallowed the lot and then licked my helmet clean!

By this time, we realised it had started raining. But we were quite sheltered by the tree canopy in our clearing and, kissing passionately as we heard the odd couple hurry past on the path, it didn't take us long to get horny again – especially as Chantelle had unbuttoned her top to reveal her stunningly impressive cleavage. Just the sight of it makes me feel rampant, but to bury my dick between her heaving bosoms, well, it really is heaven.

Horny as hell, I copped a feel of her massive tits as I helped her up and spun her around, bending Chantelle over against a tree. She was panting hard as I pulled her knickers aside and, as I dipped a finger into her soaking wet pussy, she let out a small mewling sound, which was a huge turn-on. Suddenly, I felt the overwhelming need to push my rock hard cock inside her juicy snatch, and I needed to do it now. As soon as I removed my digit, Chantelle knew what was coming and I felt her brace herself for the pounding that was imminent. Well if she was expecting it, who was I to disappoint?

From behind her, I positioned my dick at her pussy opening and, butting my cockhead a couple of times against her hole, I forcefully shoved my meaty length all the way into her velvety wetness. We both let out a huge gasp at the same time. Chantelle may have had a few guys in her time, but her pussy is still extremely tight and it grips my member like nothing else. I held her hips and began thrusting into her, hard and deep, enjoying the way she was breathing heavily and letting out whimpers every few seconds, obviously trying to keep a lid on the noise. As I watched her little bum backing onto my big dick and my balls slapped against her clit as they swung like pendulums, I noticed that the small tree she was clinging onto was shaking in time to my thrusts. Although acutely aware that this could draw attention to us, it the thrill of being caught was stronger than the fear and I ploughed into Chantelle's warm twat even faster. I knew it wouldn't be long before I came again. I leant forward so I could reach her boobs while still fucking her from behind and pinched her nipples hard. This had the desired effect of driving her crazy and she banged back onto my cock with wild enthusiasm, any thoughts of being quiet now forgotten as she orgasmed loudly, squealing and writhing around on my throbbing prick – the result of which was my balls tightening and me shooting a big wad of jizz deep inside her climaxing cooze.

We cleaned ourselves up as best we could and sat down on our jackets, chatting and listening to the rain lashing down as we shared a smoke and recovered from our vigorous activity. As we were getting ready to leave our wooded shelter, Chantelle, obviously having caught her breath sufficiently, leant over and kissed me passionately, grabbing my hand and directing it towards her huge norks. Surprisingly, I felt my dick hardening once again and, before I knew it, Chantelle had opened my jeans' zip and was taking my tool deep into her mouth once more, devouring me. It felt amazing, her tongue sliding up and down my shaft, before flicking the tip and then swallowing the entire length down so I could feel the back of her throat. I thought there was no way I'd be able to come again, but lo and behold, within five minutes of Chantelle's magic mouth around my girth, I felt that familiar feeling in my sac. Pulling Chantelle's head back so her gaping gob was a few inches away, I aimed my cockeye at her pretty face and began to wank. The sight of her tongue stuck out, waiting to catch my goo was too much and as I tugged away, I felt myself reach the point of no return and I sprayed my sticky white

cream everywhere, catching her mouth, cheeks and chin. As I milked the last few drops out, I relished the way it dripped down onto her mammoth tits and she used a finger to daintily scoop it up and lick it, savouring the salty taste, realizing just what a lucky bastard I am!

That was a few weeks ago and our sex life just gets better and better. We're both quite adventurous so I can't wait to see what other locations we come up with between us. I'll definitely email you again soon with updates of our exploits!

Raoul, via email.

PREETI PREETI GOOD!

Dear *Mayfair*,

I have to confess that I haven't bought *Mayfair* for a few years (largely due to the influence of a now ex-girlfriend), but when I saw Preeti on the cover of your latest issue I was prompted to take the plunge. Wow – what a spectacular figure she's got! I could tell from the picture on the cover that she had a fantastic bum, but what I saw inside the mag when I got home really blew me away! Sheer perfection, with an amazing arse and tremendous thighs – something which I've always found particularly arousing, but which rarely get a mention. And from the blurb I see she's got a twin sister! Needless to say, I'll be keeping an eye out for your next issue, and hope I'll be getting to see Priya before too many moons have passed!

Ken, Slough.

Welcome back, Ken – it sounds like you're well shot of that ex of yours! Yep, Preeti's got a twin alright, so we'll see what we can do for you. Watch this space...

Bexi seems to have got things pretty well sorted in her life – she's only gone and upped sticks and moved to the island paradise of Bali! That's bad news for the red-blooded males of Britain, Bexi – what's the idea?!

"Ha, well in this day and age with the internet meaning you can work from home a lot, I figured I could make my home wherever I fancied, and where I fancied was Bali! I still come back to Britain pretty often to see friends and shoot sets, but I've definitely got a taste for living over there now!"

Hmm, so is there any room for a blurb-writer who fancies a holiday some time, Bex?

"Oh, it's a rather small pad!"

HOME COMING!

Dear *Mayfair*,

I left my home town about over 10 years ago now and moved to Sheffield for work. Other than to see my family, I had not been back since. However, a very old friend had finally decided to take the plunge and get married. I'd been invited along on the stag do, which was to be a trawl through all of our old drinking haunts. Part of me didn't really want to do it, I'd not missed my old life once since leaving and didn't really fancy going back to all those small town ways. But old friends don't get married that often.

The day came, and we all met up in The Coach & Horses in the town centre to start our night of drinking off. It started well; it was good to see friends I'd not heard from in so many years. Some had changed and others were practically the same lads I'd left behind long ago. Anyway, we sat in the pub for about an hour and then, once everyone had turned up and had managed to down at least one drink, we moved on to the next boozer. It was here that I ran into an old flame, Anne. She was the first girl to ever pull open my trousers and get her hands on my cock, and my memories of her were the basis of many a wank on a lonely night. I'm glad to say she hadn't changed all that much. Sure, she wasn't dressed like a teenager any more but she hadn't let herself go and she was now a very sexy 29-year-old PE teacher. Nice and fit and full of vigour, with long blonde hair pulled tight into a ponytail. She was wearing a soft tracksuit and was extremely sexy!

**ANNE SUCKED MY COCK
LIKE SHE LOVED IT,
SQUEEZING MY BALLS
AND WANKING ME OFF
AS SHE LICKED MY POLE.**

She spotted me straight away and was very pleased to see me. I had been the man to take her cherry, and though that time she didn't come, I was also the first man to bring her to orgasm. We sat talking, away from the increasingly rowdy gang of lads, and we reminisced happily about the good old days.

"Remember when I first wanked you off?" she asked. How could I forget! Like I said, she was the first to ever hold my dick, taking it out one night over the park when we were kissing and I was feeling her tits up through her T-shirt. It was a great moment; she wanked me off onto her lap, I still remember the come stains on her jeans and the way she giggled as she wiped my jizz from her hand.

"How would you like to do that again?" she asked. I was dumbstruck. I'd only been talking to her for a few minutes and

here she was offering to take me outside and wank me off! We snuck out, I didn't want the lads to know, and ducked into the park we used to kiss and fondle each other in. We sat down on a bench and were on each other in seconds, sucking each other's faces off like two lovers who'd been parted for months. Or years in this case! She wrestled with my trouser buttons and I helped her, sitting up slightly so that she could easily pull out my cock. She rolled my foreskin over my helmet and cupped my balls, wanking me off almost as good as I do myself and, just before I came, she stopped and said, "Sorry I never did this for you back then, but I was a little inexperienced and a little scared."

Then she dropped to her knees and took my dick into her mouth. She'd always refused to suck me off when I lived in town and I was always frustrated. This time, Anne sucked my cock like she loved it, squeezing my balls and wanking me off as she licked up and down my pole, staring me in the face all the time. This, together with all the wank fantasies I'd had about Anne, brought my orgasm to the fore and she tugged my cock nice and fast into her mouth. I filled her mouth up with come and she swallowed the lot, making

CONDITIONAL DISCHARGE

Dear *Mayfair*,

I was looking at your pictures of Brooke Lea in your latest issue and I was struck by how silky her neat pubic thatch looks. This got me thinking, and in the end I thought I'd write in to enquire whether she uses some sort of conditioner, or whether her pubes are naturally smooth and shiny. I've tried using a conditioner on mine, and I think I have noticed a difference, but nothing as striking as Brooke's glorious pussy!

Adam, Lowerstoft.

Ha, that's an interesting enquiry Adam. Brooke tells me that yes, she has been known to use conditioner on her pubes but can't remember if she had done before that shoot. I asked to have a little feel just to see how silky her snizz really was (purely in the interests of science, of course), but she didn't think that was necessary, for some reason... The Ed.

sexy little appreciative noises. Then she tucked my cock back into my trousers and zipped me up.

"I'll have a gin and tonic," she said as we stepped back into the bar. She necked it and, with a little peck on the cheek, left – and that was the last time I saw her!

Greg, Sheffield.

Our records tell us it's been five whole issues since we last caught up with Welsh wonder Emma Green in all her fabulous curviness, which is quite long enough, don't you reckon? So what's she been up to in all that time – is it our imagination or is she looking more than a little sun-kissed?

"I should hope so! The weather here in May and June gave me plenty of opportunities to work on my white bits, which always seems to arouse some interest among the neighbours. Still, if people like looking at me in the nude, who am I to complain?"

Well we think it's absolutely bloody disgraceful!

WELCOME TO 911 HEAVEN!

Think previous models in Porsche's 911 series are pretty brisk? Well you ain't seen nothing yet!

Porsche has just announced the quickest and most powerful road car in its 86 year history, the 2018 911 GT2 RS. The Porsche GT2 model first came off the production line back in 1993 as a more powerful variant of the Porsche 911 Turbo for the ultimate thrill seekers, and the latest version is a real beast. The GT2 made its debut at the

This causes the gas temperature to fall in the overpressure range and ensures optimum power output. The customised seven-speed double-clutch transmission in the new GT2 RS enables power to be transferred with uninterrupted traction.

air intakes and outlets and the imposing rear wing emphasise that the vehicle's aerodynamics have mastered both form and design. Grip is king when it comes to cornering and the GT2 RS sticks to the

tarmac thanks to its wide wheels (265/35 ZR 20 at the front and 325/30 ZR 21 at the rear) ensuring outstanding cornering forces. Braking is just as important too and the 911 GT2 RS features Porsche Ceramic Composite Brakes as standard allowing it to stop on a penny.

To save on weight the front wings, wheel housing vents, outer shells on the Sport Design exterior mirrors, air intakes on the rear side sections and parts of the rear end are made from carbon-fibre reinforced plastic, as are many of the interior component. The bonnet is also made from carbon to make the vehicle as lightweight as possible, while the standard trim roof is made from magnesium.

Of course, performance can always be cranked up a notch – even on the 911 GT2 RS. That's why the Porsche engineers have developed the optional Weissach package, which

provides a weight saving of around 30 kilograms.

The package includes

additional elements made from carbon-fibre reinforced plastic and titanium. For instance, the roof and the anti-roll bars are made of carbon, and so are the coupling rods on both axles. Magnesium wheels reduce both the gross weight and the unsprung weight, providing a greater wealth of impressive chassis properties. The luggage compartment lid and the carbon-weave finish roof are emblazoned with a central strip in the same colour as the car for a visually distinctive look.

The passenger compartment of the 911 GT2 RS is dominated by red Alcantara, black leather and interior parts with a carbon-weave finish as standard. The GT2

Goodwood Festival of Speed back in July and from first impressions it blows past the earlier GT2 Porsches.

At the heart of this high-performance sports car is a 700bhp biturbo flat engine. Weighing in at just 1,470 kg with a full fuel tank, the lightweight two-seater accelerates from zero to 62mph in 2.8 seconds, topping out at an impressive of 211mph on the straights. With its near-motorsport drive technology, the new 911 GT2 RS trumps its 3.6-litre predecessor by a whopping 80bhp and packs 120 more horsepower than the baby 911 Turbo. In order to increase performance, large turbochargers push an increased volume of air into the combustion

What's more, the specially developed exhaust system is made from extra-lightweight titanium, weighing around seven kilograms less than the system used in the 911 Turbo whilst still producing an emotional sound without precedent.

Discipline in sport means mastering every detail. And in the world of super sports cars, cornering speeds are on another level. The 911 GT2 RS reaches these speeds thanks to its flawless racing chassis with rear-axle steering and Ultra High Performance tyres. Like all GT sports cars, the new top model features a specially calibrated Sport mode that's tailored to provide optimal driving dynamics. Powerful

RS sports steering wheel with gearshift paddles enables quick and sporty gear changes. Driver and passengers experience the driving dynamics of the high-performance sports car in full bucket seats with a carbon-weave finish. As in every 911, the Porsche Communication Management (PCM) is the central control unit for audio, navigation and communication. The Connect Plus module and Porsche Track Precision app are also included as standard, enabling detailed recording, display and analysis of driving data on a smartphone.

The optional Chrono Package expands the PCM functions to include performance display, which can be used to display, save and evaluate track times. The package also includes a stopwatch on the switch panel with both analogue and digital display. What's more, the Chrono Package on the 911 GT2 RS comes with a lap trigger. Using the Porsche Track Precision app in conjunction with external markers on a start/finish straight, this lap trigger enables drivers to record lap times with a high level of precision.

And that's not all! For the first time ever, Porsche Design is celebrating the debut of the high-performance sports car by releasing a special-issue watch. Offering a nod to the world of motorsport, the 911 GT2 RS watch is exclusively available to owners of the new vehicle and can only be ordered in conjunction with the new GT model. Many of the details on the timepiece are based on the high-performance sports car. The tungsten winding rotor is modelled on the rims of the 911 GT2 RS. The clock face is made of carbon, while the design of the time display matches the instrument cluster and the tachometer. The vehicle and watch are produced individually in line with customer specifications and

delivered together.

This Porsche snobbery does come at a price though and with the EURO exchange rate only moving in one direction the GT2 RS will set you back a hefty £265,000 today and a little bit more tomorrow. But we think it's definitely worth every penny.

OK folks, it's about time we unleashed another stunning newcomer on you, don't you think? And we're chuffed to bits to be able to unleash one as lovely as Mia Middleton here, who's been wowing fans on certain TV channels for a while now but has thankfully decided that an appearance in *Mayfair* is just the ticket. But Middleton... she's not related to any royal wife, is she?

"No, not as far as I know!" she laughs, "and to be honest I'm not sure I fancy that anyway. Being in the public eye like that would really cramp my style!"

Well we'd really hate for that to happen!

"I always feel super horny in the bath!" she confesses. "After all, your on your own in a locked room with your clothes off – it'd be stupid not to have a little play, wouldn't it? And then there are all those oils and bottles to hand. Don't you always get the horn in the bath as well?"

We sure would if you were in it!

Scene from MAYFAIR

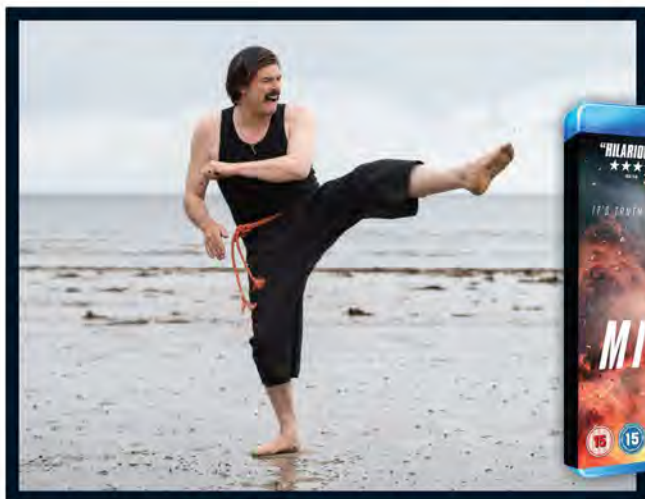

Patriots will be delighted to see that all this month's releases are British through and through, although loyal royalists might have a few doubts...

ENTERTAINING MR SLOANE/LOOT

To mark the 50th anniversary of the Sexual Offences Act, which set about decriminalising homosexuality in the UK, StudioCanal have re-released (and released for the first time on Blu-ray) film adaptations of two plays by Joe Orton, the gay playwright who shot to fame in the mid-60s before his untimely death at the hand of his unhinged lover. Both films were released in 1970, by which time cultural trends had seen Orton edge towards the mainstream, but they both capture nicely the sly humour and fanciful bent that marked his style. *Mr Sloane* stars Beryl Reid as a spinster of a certain age who picks up Peter McEnery's Sloane in a cemetery and takes him in as a lodger – which causes all sorts of frictions when her brother and father get involved. The more farcical *Loot*, meanwhile, boasts Richard Attenborough and Lee Remick in the cast and a plot that sees two thieves desperately trying to conceal their ill-gotten gains.

Editor's PICK

MINDHORN

It's always nice when a new British comedy comes along – especially when it's got some proper pedigree behind it. Julian Barratt made his name as half of *The Might Boosh* (along with that chap who's now doing *The Great British Bake-Off*, for some reason), while Simon Farnaby's cut his teeth on *Horrible Histories* and shone in *The Detectorists*, and the pair of them have created this very likeable flick here. Barratt plays Richard Thorncroft, an actor whose career peaked in a daft 80s detective drama (*Mindhorn*), but who's suddenly required to reprieve his most famous role in order to foil a criminal disastermind who seems to have conflated fact with fiction. A wee bit *Galaxy Quest*, then, but certainly none the worse for that, and both co-creators really get their teeth into their roles, alongside a cast that includes Russell Tovey, Essie Davies, Simon Callow and Steve Coogan. Daft but funny, which'll do me!

THE WINDSORS SERIES 1 AND 2

Well, they couldn't call it *The Royal Family*, could they? – that sitcom's already been done (give or take a bit of spelling). Still, the Queen and co have been fair game for satirising ever since *Spitting Image* stuck it to them back in the 80s, and there's a link between these two series in the shape of Harry Enfield, who voiced several characters in one and who now plays Prince Charles in the other. As you might expect, it's a thoroughly irreverent affair, with the travails of the royal family as portrayed putting none of them in a favourable light (Camilla's a schemer who, desperate to be popular and acceptable to the nation as Queen, is obsessed with getting a boob job, while Beatrice and Eugenie are converted to radical Islam). Broad, alright, but you're sure to end up laughing along.

■■■■■■■■

Rather like Lord's after a particularly pleasing cover drive has trickled over the boundary, there was a discernible murmur of approval around the *Mayfair* office when East Midlands lovely Lauren Louise made her debut in the magazine back in the spring. Yes, she's got pretty well everything we like and when that's the case we're more than happy to show our appreciation.

"To be honest I'd like to think I could provoke more than a murmur of appreciation!" she bristles, not unreasonably. "After all, I am taking all my clothes off here!"

Oh alright, you gave us the raging horn as well!

In what might look like skillful planning, but is in fact pure coincidence, we've got a trio of alliterative (and in one case utterly illiterate) titles for you. It's like bleedin' Sesame Street round here!

STICKY FINGERS

CAST: Stella Cox, Samantha Bentley, Antonia Saintz, Ziggy Star, Sienna Day, Briana Bounce, Vicky Chase, Alessandra Jane, Nekane...

In the bongo universe, nothing screams "Classy" like a girl only flick. Quite frankly I'm rather surprised they're not showing this sort of thing in mainstream cinemas now, so respectable is the genre - especially when you throw in a soundtrack that sounds like Clannad's new album! Then again, there's no getting away from the fact that the sight of one lovely female feasting on the boobs or snatch of another has a certain, well, *je ne sais quoi* about it! Thankfully Nekane and Alessandra and romping through a dew-dappled glade as the music might suggest - they're sprawled on a bed and getting stuck into each other's ladyparts, and a very fine looking couple they make. Why it almost makes me wish I was a girl, just so I could enjoy such exceptional looking lesbo antics.

Mind you, there's plenty more where that came from, with Sienna and Antonia making the most of each other's boobs and Vicky and Briana putting a double-ender and a massager through its paces. All in all, if watching other blokes' shaven balls flap about tends to put you off your stroke, this is just the ticket! Available from your local sex shop.

Wicked Pictures

SPOILED

CAST: Chanel Preston, Abigail Mac, Elsa Jean, Chloe Cherry, Olive.

I'm all in favour of cutting to the chase, me - I've lost count of the number of times I've fast forwarded through *Bullitt* till I get to the good bit, but even I was taken aback by the lack of set-up as Abigail and Olive set about snogging and... well, the rest of it. There's clearly meant to be a plot going on here, but apart from a bit of an interruption to discuss the fact that one of them is celebrating their birthday, it's a full-lesbian fuck from the off. There are some nice bits of spanking along the way, but I'm really none the wiser by the end of it. By way of a link we see Abigail running around in the nip until she catches the neighbours hard at it in their kitchen. Whaaa? They don't let her stop them, until Chanel's had her arse plastered with come - oh, right, Abigail locked herself out! Umm, anyway, there really is no point trying to make any sort of sense out of this one, but luckily for all concerned the shagging's great, with Chloe looking a picture as she rides Jay Smooth's smooth pole, and Elsa none too shabby either. I wonder if anyone got paid for the screenplay, though.

Private

SOCIAL MEDIA SLUTS

CAST: Taylor Sands, Alexis Crystal, Katana, Belle Claire, Verona Sky, Coco Del Mal, Sicilia.

Surely we're all social media sluts these days, aren't we? You can hardly move on Facebook without tripping over dozens of posts from people you half know, showing off their kids/pets/holidays/meals out in a desperate attempt to attract 'Likes'. Then again, the *Social Media Sluts* on display here take things a good bit further - yes, you get to see what they've had for dinner, but it's yesterday's dinner! Ahem, anyway, things kick off with Belle and Verona going

on Tinder or something similar trawling for a fella, and when a likely one responds they strip down to their undies and await his arrival. And once the jammy git pitches up, they

fuck him silly, pale redhead Belle and her brunette chum clambering on and off his dick like they've never seen one before (which I bet they have!). It's a similar tale for Alexis and Asian lovely Katana, the girls' contrasting beauty heightening the appeal of the scene, before Taylor Sands cranks things up a notch by reversing the ratio and taking on two dicks herself. It's amazing what you can find online these days, isn't it? Cracking energy and a couple of fine pops mark this scene out as the highlight of a none-too-shabby offering.

Two blokes were in a pub, and they were both watching the television when the news came on. It showed a man on a bridge who was about to jump, obviously suicidal.

"I'll bet you a tenner he'll jump," said the

first bloke. "didn't think the guy was dumb enough to jump again!"

A man was driving home from work late one evening, going well above the speed limit.

He notices a police car with its blue lights on in his rear view mirror. He thinks "I can easily outrun this policeman," so he floors it and the race is on. The cars are racing down the motorway - 70, 80, 90 miles an hour.

Finally, as his speedometer passes the 100mph mark, the police car is still keeping up with him so the man gives up and pulls over.

The police officer gets out of his car, walks over to the man and asks him to

wind down his

window. He leans down and says, "Listen mate, I've had a really shit day, and I just want to go home. Give me a good excuse and I'll let you go."

The man thought for a moment and said: "Three weeks ago, my wife ran off with a police officer. When I saw your car in my rear view mirror, I thought that you were the police officer and that you were trying to give her back to me!"

"Thanks for cumming!"

first bloke.

"Bet you a tenner he won't," said the second bloke.

Then, the man on the television closed his eyes and threw himself off the bridge. The second bloke hands the first bloke the money.

"I can't take your money," said the first bloke. "I cheated you. The same story was on the six o'clock news."

"No, no. Take it," said the second bloke. "I saw the six o'clock news too. I just

Three patients in a mental institution prepare for an examination given by the head psychiatrist. If the patients pass the exam, they will be free to leave the hospital. However, if they fail, the institution will detain them for five more years.

The doctor takes the three patients to the top of a diving board looking over an empty swimming pool, and asks the first patient to jump.

The first patient jumps head first into the pool and breaks both arms.

Then the second patient jumps and breaks both legs.

The third patient looks over the side and refuses to jump.

"Congratulations! You're a free man. Just tell me why didn't you jump?" asked the doctor.

To which the third patient answered, "Well Doctor, I can't swim!"

The Lone Ranger was captured by some Indians who told him that in three days he would be executed. The chief asked him if he had any last requests and the Lone Ranger asked to talk to his horse. The chief agreed, so he whispered in Silver's ear.

The horse immediately bolted off and an hour later returned with a beautiful naked brunette on his back and that night she slept with the Lone Ranger. The chief was impressed and told him he had a wise horse but will still die in two days and asked him if he had any more requests.

The Lone Ranger again whispered in Silver's ear, and after an hour, Silver returned with an even more beautiful, buxom blonde on his back and she slept with the Lone Ranger that evening.

The chief was impressed but the next day

told the Lone Ranger he would die tomorrow and asked him if he had any more last requests. The Lone Ranger asked to speak on his own to Silver and the chief agreed. So the Lone Ranger and Silver went into a cave out of earshot from the Indians.

The Lone Ranger looked Silver in the eyes and said: "For God's sake I said fetch a POSSE!"

Two blondes stand on a cliff with their arms outstretched. One has some budgies lined up on each arm, the other has parrots lined up on her arms.

After a couple of minutes, they both look at each other, nod, and leap off the cliff before plummeting to the ground.

Laying next to each other in intensive care at the hospital some time later, one blonde says to the other, "I don't think much of this budgie jumping."

The other blonde replies, "Yeah, I'm not too keen on this parrot-gliding either."

Lummy – it's been over 18 months since we last managed to tease Lucy into the studio - what on earth's going on?

"Modelling's only a sideline for me – I've got my proper job to keep me busy, so I only like to dip my toe back into the water now and again when the mood takes me. Basically it's like a little pep to pick me up and make me feel extra-horny again, knowing that all your readers will be enjoying looking at my pictures, but maybe I won't leave it quite so long next time..."

We'll touch wood then. Literally!

M

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

Despite being 23, I've only lived away from home for a few months. I decided not to move out earlier so I could work and save money for a deposit on my own place and, with a bit of sacrifice, I managed it.

The house I bought was in good shape, if a bit scruffy, but the main thing that

needed sorting was the garden. Now, I'm not lazy, but it would've taken me literally months to get it done by myself - and my family certainly weren't about to offer to help - so I decided to hire someone to come and do it for me. I opted for a local company that my dad recommended and, as such, I was expecting some old bloke

around his age. So I did a bit of a double take when I saw the guy they'd sent - tall, cute and quite young, not the hairy-arse type I'd been expecting. He was Luke, the son of my dad's mate. Talk about lucking out!

As I showed him to the garden, I walked a bit ahead of him so he could get a good look at my arse - I knew that the shorts I was wearing really showed it off nicely. As we discussed what he could do with the overgrown mess out the back of my house, Luke and I made some serious eye contact and it was obvious that there was a spark between us. I offered him a coffee before he started work and he accepted, grinning broadly and following me back into the kitchen. While we waited for the kettle to boil, we made small talk but, to be honest, I don't think either of us were paying attention to the content at all - we were just flirting outrageously with each other. Finally,

**LUKE'S HANDS
WERE ALL OVER ME,

FINGERS DIPPING
INSIDE MY SNATCH.**

the water boiled and I turned to sort the drinks out. Which is when I felt his hands on my hips and heard him breathe into my ear, "Tell me if I've misread the signals here..." before he gently kissed my neck. I let out a sigh and melted back into his arms. He turned me around and kissed me again, on the lips this time, gently at first, but then more urgently. I kissed back, pressing my body against his. He was turning me on so much that I felt light-headed and the throbbing between my legs was turning into an ache for his dick.

He obviously sensed this and pushed his hard on into me, grinding against me as he groped my bum. I reached down to feel his bulge for myself and was pleasantly surprised! His size just made me even more desperate to have him inside me and I wrapped one leg around him, spreading my legs so I could feel him against my clit, despite the material separating our skin.

Luke lifted my top up, revealing my braless boobs. They're small - I couldn't give a bloke a proper tit-wank - but he seemed to like them, sucking them into

his mouth and nibbling my long nipples. This drove me to distraction and I had to take charge! I pushed my shorts down to my ankles and stepped out of them, my little triangle of pubes ruffled, which he also appeared to be taken with - as soon as my shorts were off, Luke's hand was all over me, rubbing my clit, fingers dipping inside my moist snatch.

**Name: ELLIE
Age: 23
From: LEWES**

Then, suddenly and without warning, Luke lifted me up so I was sat on the kitchen worktop. Pushing his jeans down to reveal his beautifully hard (and big) cock, he wanked himself a few times, getting to full rigidity, then ran his hand over my snatch to make sure I was wet enough for him. Obviously, I was!

I felt my juices run down as he pushed his hips between my thighs, spreading my legs wide. My breath caught in my throat as he sank his prick into my aching wet pussy – and as he filled my hole, I let out a low howl. He thrust in slowly until I felt him hit my cervix, his pubes tickling my clit and his balls touching my arse, and it was at that point he began to properly fuck me.

He kept my legs spread as he thrust into me, so I grabbed tight onto his muscular arms to keep myself steady. As his prick plunged in and out of my twat, his hands grabbed me boobs and his tongue explored my mouth, stopping me from crying out. It felt amazing – I knew he'd be a good shag!

When he started thumbing my clit, my body started to tremble. I could feel my pussy muscles tightening around his shaft, and I couldn't have stopped them if I'd wanted to. I love the feeling of losing control – like my body's deciding all that matters is pleasure. Every thrust of his prick felt more intense and it wasn't long before I was biting hard on my lip, trying not to scream as an orgasm pulsed through me. He kept pumping away mercilessly until I'd finished coming, every muscle in my body tense and shaking, thrilling and exhausted.

When I'd finally come down, Luke pulled his still-hard meat from my quivering quim and told me to bend over the worktop. I did as he asked and as soon as my bum was in the air, he was all over it, feeling my peachy cheeks before pulling them apart so he could get to my soaking cunt. He pushed his girthy rod inside me and immediately began sawing in and out fast and hard – going at it like a jackhammer – his balls banging up against my clit.

He reached around and grabbed hold of my tits, using them as leverage to bang into me with all his might. I heard myself moaning and groaning, sure that I would come again as Luke fucked me, grunting with every thrust.

I was right, and it didn't take long for the intensity to build up within me, soon becoming almost too much to bear as waves of pleasure washed over me, my pussy muscles once again clenching around his dick. It lasted longer this time and I thrashed around

“I COULD FEEL MY PUSSY MUSCLES TIGHTENING AROUND HIS SHAFT, AND COULDN'T HAVE STOPPED THEM...”

beneath him as he lay his torso down on top of me, pinning me to the side as he held my hips and pummeled into my tight twat.

Although I wanted Luke to string out the ecstasy for as long as he could, I also really wanted to feel him come – and it was a good job I did, as he suddenly exploded, pumping huge amounts of hot spunk deep inside me, my climaxing pussy milking it out of his balls. He thrust a few more times before he relaxed, both of us completely satisfied and spent.

I thought it would be awkward afterwards, but it wasn't in the least – he cracked a few corny jokes about sowing his seed and soon excused himself before getting on with the gardening. And fair play, he did an amazing job, too! Naturally I've left him a glowing review online and I know I'll be getting him back in again before long when my garden – not to mention my pussy – needs some more attention!

“I BEGAN WANKING HIM, GENTLY AND SLOWLY TO BEGIN WITH, AND FLICKING MY TONGUE OVER HIS COCK.”

I don't know if many of your female readers have tried it, but I thought I'd write in and tell you about my kink for being blindfolded during sex, which turns me on like nothing else and which I and which I can't recommend highly enough.

It started with Steve, my first serious boyfriend. He was a lot older than me and, right from the beginning, he took on the role of instructor; he kind of initiated me into different ways of making love and experiencing sensuality.

One evening, not long after we started going out together, I was round at Steve's place and we started making out as soon as I walked into the living room – I was young then, after all! That evening, we sank into the sofa and started kissing and feeling each other through our clothes. Then Steve

got up and led me to his bedroom. I took my skirt off and undid my top, discarding the skirt and the belt sash of the top onto the armchair in the corner, and flopped down on the bed, waiting to be fucked. As much as I wanted to just grab hold of him and ride him senseless, Steve wanted to take things more slowly, and he picked up the sash I'd thrown aside and asked me if I felt like trying something a little different. I was so hot for this guy, and was up for anything he wanted to do so I said: "sure."

He took my sash and blindfolded me with it, gently tying it at the back of my head, careful not to pull my hair but also careful to make sure it wouldn't fall off and that I couldn't see through or under it. I was a little nervous at first but he assured me I'd enjoy it, so I relaxed and I let him take control.

I heard him go to the foot of the bed, from where he pulled my knickers off and started licking my stocking tops and tantalisingly kissing the tops of my thighs. This just made my clit ache more, and I had to plead with him to lick me out, which he eventually did, lapping at my cunt with long, deep, slow strokes of his tongue.

I can't explain how exciting it was for me; in those days, I was still relatively inexperienced and to have this older man work on my most private areas was better than anything I'd dreamed of.

I asked him when he was going to fuck me but he said nothing. Then he slid two fingers in my dripping and eager cunt, focusing on licking my clit until I started to shiver with pleasure. He'd obviously decided to tease me that evening, to get

HE PULLED MY KNICKERS OFF AND STARTED LICKING MY STOCKING TOPS AND KISSING THE TOPS OF MY THIGHS.

me as horny and desperate as he could, because he stopped licking me out after a while and got off the bed. Telling me to lie still, I felt his damp fingers dancing around my lips and enter my mouth. He told me to suck his fingers and asked: "Have you ever tasted your own pussy before?"

When he took his fingers out again, I replied that I hadn't, which was technically true at the time, though I'd done plenty of frigging on my own. He asked me whether I liked the taste, and I had to be honest, I wasn't quite sure. Tantalisingly, he said I'd learn to love it in time.

Then he turned my head to one side and I felt the hot, wet softness of the end of his penis, circling my lips as his fingers had done moments before, entering my mouth and withdrawing almost immediately. I felt him climb on the bed and bend over me in a sixty-nine position. It was so exciting and so dirty, I felt myself coming but he must

have heard because he stopped licking me and said, "I don't want you to come quite so soon."

I didn't feel anything at all just then, but I did hear him undress and leave the room. Then I heard these noises but I couldn't identify what they were until I felt his hands caress my arse, sleekly rubbing in some oil. He was kneading the massage oil in, in a strong, circular motion and his hands began wandering into the crack of my arse and down to my open, wet pussy.

That was it, my 19-year-old cunt had taken all the teasing it could take and I came explosively.

Now I am a few years older and with a new boyfriend, Tony, and I don't come so easily. Right from the start, I sensed his confidence and self-assurance but, more than that, I knew I could trust him. I knew

I'd be able to play my favourite games with him and that I would experience the right kind of thrill. I got around to playing the blindfold game one evening a few weeks into our relationship, when he was around at my place. I thought I'd give him the treatment first, to see how he liked it. I remember we'd eaten dinner and we were sitting down watching some documentary on the television when I looked over at him and thought to myself how much I fancied him, and how comfortable I was with him. I got up, telling him I was going to the bathroom, and went to the bedroom instead. I've got quite a collection of nice silk scarves, and I picked out a green and black one and took it downstairs. Tony was watching TV when I sat down on his lap, hiding the scarf.

"Do you trust me?" I asked.

"That depends," he teased.

"Close your eyes," I whispered, and I tied the scarf around his head, blindfolding him. "Can you see anything?" I checked, but he couldn't. I turned the television off and knelt up on the sofa, straddling him. I started off by running the tip of my tongue over his lips and all around his ear, nuzzling on his earlobe, then I told him to unbutton my blouse, and I guided his hands to the top button. Tony went along with it, smiling silently, undoing the buttons all the way down. I guided his hands inside my top and around my waist, and I smothered his face with my cleavage, wobbling it as his tongue flailed around trying to delve into my bra and find a nipple to feast on. When I let him find one, he sucked and gently chewed on it, and I rubbed my panty-covered crotch on the stiff bulge in his trousers. I kissed him again and reached down to unzip him. I couldn't be as gentle or as subtle as Steve had been with me the first time he'd used a blindfold on me – I was too keen to fuck Tony, but I did tease him a little. I dismounted him and knelt on the floor in between his legs to take his cock out of his boxers. I left his erection in the air for a while, blowing on it from the base to the tip before running up its length with my tongue, sucking on the end and clasping its base.

"Put it in," he panted but I continued to toy with it, sucking it on each side, up and down, and nibbling at his balls. He tried to take himself in hand, but I told him to let me do it, and I wanked him harder for a moment. But only for a moment. I picked up the tie that he'd taken off when he arrived and wrapped it around the base of his cock a few times, firmly but not too tight. The end of his cock was turning a purple colour but when I asked whether it hurt or was uncomfortable, he said no, it felt sensitive but sexy. With that I began wanking him again, but gently and slowly to begin with, and flicked my tongue over his cock.

"Are you trying to make me come?" he gasped this time, but I didn't want him to come like that, not just yet, and definitely not before I did, so I stopped tossing him off. Sensing that he wouldn't or couldn't last much longer, I got up, took off my knickers and straddled him again but this time I guided his cock into my dripping gash. Although I love being blindfolded, Tony did look gorgeous under me, sitting there blind to what I was doing, his hair bursting out around the scarf, his mouth wide open, on the verge of coming. It was the extra frisson I needed to take me almost immediately to orgasm, riding his still engorged cock. Tony cried out louder than normal in an intense orgasm just as I was coming down from mine, and

I knew he had enjoyed my favourite sexy game.

Now we often take turns to be blindfolded and teased and, although nothing quite compares to that first time with Steve, I consider myself to be a very lucky lady to have someone appreciate and indulge my taste in kinks.

*Connie
from the Camera Shop*

PHOTOGRAPHED BY BASIL CRAWFORD-SMITH

Camera shy is certainly not a way to describe pretty, young Connie Westwood, the cutie from behind the counter in a large photographic store. For when one of *Mayfair's* top photographers went in to buy his regular two dozen boxes of Kodachrome, and spotted Connie, he was delighted when she agreed to pose for him. 'I've always wanted to be on the other side of the lens,' she told us, 'I see so many girls posing for pictures, and I've always been convinced that I could do better.' So we let her have a go, and reckon that she was probably right. And as for the location, well, that was Connie's

MAYFAIR Classic

Hey, does Connie from the camera shop remind you of anybody? As soon as we clocked this set, which dates all the way back to Volume 18 Issue 11 (so that's 1983, folks!) we thought to ourselves, 'Hang on, Connie here looks like a dead ringer for one of our current faves, Zoi!'. Do you suppose they're related? Next time we get Zoi in we'll have to ask if she had an Auntie Connie who worked (or possibly didn't) in a camera shop. We'll keep you posted...

idea as well. 'They had to be taken in a photographic shop, didn't they? Mind you, I have to be honest, this isn't the one I work in. It belongs to a friend of the photographer,' she admitted, though she added that it was so similar to hers in some ways that it added an extra thrill to her assignment. Connie now lives and works in London, but the 21-year-old with the 34-23-34 figure was born and brought up in Cowes on the Isle of Wight. The family house is within half a mile of the coast, and she often goes down there for a long weekend, which will include a few drinks in the *Harbour Lights*.

Spending so much of her time surrounded by expensive camera equipment, Connie has, not surprisingly, become a keen photographer herself. Her own camera is a Zenith EM with an f2 lens and a spare 135mm lens for telephoto work. 'It's great for taking pictures of people when they least expect it,' she laughed. 'I once caught an old boyfriend when he was changing on the beach. I had it blown up to 12" x 10" and had put it up on my bedroom wall. All you can see is his bare bum as he bends down. I'm not the only subject to be over exposed.'

On Sale Oct 18th

You can forget about Indian summers now – any hopes for that sort of thing are long gone! Nope, it's time to batten down the hatches, get the thick duvet on and prepare for the worst, because as a certain TV programme likes to remind up, winter is coming! Still, on the plus side, we're quite unlikely to be overrun by legions of ice-men and zombies, and the worst we really need to worry about is a bit of ice on the roads and the occasional boiler repair. And talking of boilers, one place where you really won't be finding them is in *Mayfair* – cos we only feature stunners!
